1. **Proposed Amendments to the Articles of Incorporation**
   In compliance with the SEC directives dated April 8, 2025, amendments to the Primary Purpose and Article VII of the Articles of Incorporation were presented to the stockholders to formally classify the Club's securities as "proprietary".

ART / SEC	SEC Comment (8 April 2025)	Existing Provision	Proposed 2025 Amendment
Primary Purpose	The SEC-CGFD commented that *"The phrase 'and/or membership certificates which are offered for sale to the public' implies that the Club intends to issue securities other than the common shares currently registered with the Commission. Aside from the fact that the securities currently registered by the Club with the Commission are only common shares, companies are expressly required by the law to pre-qualify prospective members before proceeding with the actual sale of the shares (SRC-IRR Rule 12.1.4.1.2). Hence, membership with the Club should necessarily come with the purchase of the Club's shares. The membership certificate will only serve as the investor's evidence of ownership of the Club's securities. Considering the foregoing, the Club is directed to replace the phrase, 'and/or membership certificates which are offered for sale to the public' with 'to act as a registered issuer of club shares represented by proprietary membership certificates.'"*	To promote, support, foster and establish a residential community imbued with athletic, social and educational consciousness through the acquisition of real estate properties, the construction, operation and maintenance of golf courses, and other outdoors sports and recreational facilities, and to act as a registered issuer of club shares **and/or membership certificates which are offered for sale to the public**. Article VII	Pursuant to SRC Rule 12.1.4.1.1, please include a description of the nature and type of the shares issued by the Company, which should include whether the securities being offered are proprietary or non-proprietary in nature.	**SEVENTH:** That the total authorized capital stock of the Corporation shall consist of FIVE THOUSAND THIRTY (5,030) shares **WITH A PAR VALUE OF ONE THOUSAND FIVE**	**SEVENTH:** That the total authorized capital stock of the Corporation shall consist of FIVE THOUSAND THIRTY (5,030) **PROPRIETARY** shares **WITH A PAR VALUE OF ONE THOUSAND FIVE**

ART / SEC	SEC Comment (8 April 2025)	Existing Provision	Proposed 2025 Amendment
	The company has stated in its prospectus that the shares it is offering represents "proprietary club membership" in Riviera Golf and Country Club, Inc. Considering the foregoing, the Club is directed to likewise include in its AOI the description that the Club's securities are PROPRIETARY in nature.	**HUNDRED PESOS (P1,500) PER SHARE**, divided into Thirty (30) Founders shares TWO THOUSAND EIGHT HUNDRED (2,800) Class "A" Common shares, ONE THOUSAND THREE HUNDRED (1,300) Class "B" Common shares and NINE HUNDRED (900) Class "C" Common shares.	**HUNDRED PESOS (P1,500) PER SHARE**, divided into Thirty (30) Founders shares TWO THOUSAND EIGHT HUNDRED (2,800) Class "A" Common shares, ONE THOUSAND THREE HUNDRED (1,300) Class "B" Common shares and NINE HUNDRED (900) Class "C" Common shares.

Query: Stockholder **Mr. Willy Tan** raised an inquiry regarding the status of receivable collections from the developer, Armed Forces of the Philippines Retirement and Separation Benefits System (AFP-RSBS), and the progress of related litigation. Specifically, Mr. Tan queried whether formal Statements of Account (SOAs) had been properly addressed to and received by the designated legal representative, such as the AFP-RSBS Board of Liquidators, to avert potential technical defenses or prescription regarding outstanding assessments.

Response: The Corporate Secretary responded to the inquiry of Mr. Willy Tan stating that all official billings, notices, and communications are strictly directed to the AFP-RSBS Board of Liquidators, operating pursuant to Memorandum Order No. 90, series of 2016. He added that formal written Statements of Account have been served and officially received by the Board of Liquidators. Active high-level negotiations are being pursued by the Club's leadership to achieve a mutually beneficial settlement of reciprocal obligations—specifically addressing the offset of loan obligations against cumulative unpaid membership dues and securing the final release of the remaining undelivered titles covering 17.5 hectares of land. He also stated that the Board of Liquidators remains a legally recognized and operating entity with full authority to consummate settlements, safeguarding the Club's rights against procedural or prescriptive challenges.
